V1 – Tax Non-Filers

- IRS documents that clearly indicate that the IRS does not have a tax return record on file for the tax year are acceptable for verification of nonfiling
  - Can be obtained from IRS.gov online
  - Form 4506-T and checking box 7 if never filed taxes before
  - Must be dated October 1 or later
  - This is also required documentation for those granted filing extension by the IRS

*Electronic Announcement - February 23, 2017*
Possible IRS Non-Filing Documents

- Verification of non-filing letter
- Transcript with indication that "no record is found" or "no transcript on file"
- Unclear messages such as "could not be processed" or "request could not be honored" are not sufficient
- IRS Form 13873
  - There are multiple versions (13873-T, 13873-V, etc.)
  - Any version is acceptable, as long as it clearly states that the IRS has no record of a tax return
- Browser response that indicates there is no 2015 tax return on file

Tax Filers - Extensions

- Person required to file, but who obtained an extension, must submit:

  **Tax Filers Extension Documentation:**
  1. IRS Form 4868 or copy of the IRS’s approval to extend beyond October 15 deadline;
  2. W-2 for each source of employment income; and
  3. If self employed, a signed statement certifying the amount of AGI and U.S. income tax paid; and
  4. Non-filing documentation from the IRS

  *When above documentation reviewed, verification is considered complete (disbursements are valid)*

- School may request transcript/IRS DRT when taxes are filed; must then re-verify income information

Amended Tax Returns

*Individuals who filed an amended tax return must submit the following documents to the institution:*

- an IRS Tax Return Transcript, or any other IRS tax transcript(s) that include all of the income and tax information required to be verified; and
- a signed copy of the IRS Form 1040X that was filed with the IRS

*Guidance effective 8/13/15 for 15/16 and subsequent years*
  - Posted on Program Integrity Q & A website

Income Information for Non-IRS Tax Filers

- Tax filers who filed an income tax return with a taxing authority in a U.S. territory (Guam, American Samoa, the U.S. Virgin Islands) or commonwealth (Puerto Rico and the Northern Mariana Islands) or with a foreign central government, must submit a copy of a transcript of their tax information.
  - A signed copy of the applicable 2015 income tax return that was filed with the taxing authority is only acceptable if tax filers are unable to obtain a free copy of a transcript of their tax information.

Non-IRS Nontax Filers

Income Information for Non-IRS Nontax Filers

- Residents of the Freely Associated States (Republic of the Marshall Islands, the Republic of Palau, the Federated States of Micronesia), or a U.S. territory or commonwealth or a foreign central government who are not required to file an income tax return under that taxing authority’s rules must submit the following:

Guidance applies to 15/16 and subsequent years
- Posted in 6/26/15 Federal Register Notice

For Training and Discussion Purposes Only
Changes to Verification Tracking Groups

- Electronic Announcement issued October 31, 2016
- Guidance applies to 2016-17 and subsequent award years
- In general, whether selected initially or on a subsequent transaction, student must complete verification of the information required for the current Verification Tracking Group

- Information previously verified does not need to be re-verified
- Because V5 is about the student’s identity, failure to complete verification will, in most cases, require the student to repay any Title IV aid that was disbursed
- If, after verification is completed, it is determined that the student was overpaid, the student is liable for the overpayment

Changes to Verification Tracking Groups

- Not initially selected; then selected for V1
  - Until verification is complete, no further disbursements of any Title IV aid can be made, except on a case-by-case basis for Direct Unsubsidized Loans and Direct PLUS Loans
  - If verification never completed, student must return all Title IV grant and Perkins Loan funds. Direct Unsubsidized, Direct Subsidized, and Direct PLUS loans and FWS wages earned do not have to be returned

For Training and Discussion Purposes Only
Changes to Verification Tracking Groups

Initially not selected; then selected for V4 or V5

OR

Previously selected for V1 or V4; then selected for V5

- Until verification is complete, no further disbursements of any Title IV aid can be made, including Direct Unsubsidized and Direct PLUS Loans
- If verification is never completed or student fails to verify identity or high school completion status, the student must return all Title IV aid including Direct Unsubsidized, Subsidized, and PLUS loans
- FWS wages earned do not have to be returned
- The requirement for the student to return funds applies regardless of whether the student is still enrolled

Changes to Verification Tracking Groups

Once verification is complete if —

No change to EFC

- Student may receive all Title IV aid for which eligible and may be employed under FWS

EFC decreases

- All aid for the award year must be based on new EFC
- Disbursements must be consistent with late disbursement rules, if applicable

Changes to Verification Tracking Groups

EFC increases

- All awards, disbursements, and FWS must be based on the verified higher EFC
- May result in overpayments of Title IV grants and Perkins Loans
- Follow normal rules for resolving any overpayments, including adjustments to upcoming disbursements
FAA Access – Identity Verification Results

- In 2014-15 an Identity Verification Results reporting function was added to FAA Access
- Schools report the verification results for identity and high school completion for students who have been selected for verification under V4 or V5

Whom to report: student for whom school received an ISIR with a Verification Tracking Group of V4 or V5 AND for whom school requested verification documentation
- Do NOT include students the school selected for verification of identity or high school completion status

When to report: 60 days following the institution’s first request to the student to submit the required V4 or V5 identity and high school completion documentation
- Changes to previously submitted identity verification results must be updated within 30 days

New Value #6 added to drop-down options for 2017-18:
1. Verification completed in person, no issues found
2. Verification completed remotely, no issues found
3. Verification attempted, issues found with identity
4. Verification attempted, issues found with HS completion
5. No response from applicant or unable to locate
6. Verification attempted, issues found with both identity and HS completion

For Training and Discussion Purposes Only
Verification & PJ

- For applicants selected for verification (by ED or school), must complete verification before PJ adjustments made [HEA section 479A(a)]
- But…all PJ adjustments do NOT require verification
- Does school require?
- Must mark ISIR as PJ!
  - An ISIR with PJ coded correctly will not be subject to ED’s verification selection

“Non-Verification” Reminders

Regardless of verification status
- Must resolve any and all “C-Codes”
  - Citizenship, Selective Service, Loan Default, etc.
- Must resolve conflicting information
  - Separate process from verification
  - Includes any information of which the school has knowledge

Early FAFSA:
Identification and Resolution of Conflicting 2015 Income and Tax Information

DCL GEN-16-14

For Training and Discussion Purposes Only
Early FAFSA Conflicting Information

• New FOTW edits warn if one or more income or tax amounts reported for 2017-18 differs from amount reported on 2016-17 FAFSA
  • Edits not triggered if
    • 2016-17 FAFSA transaction was based on estimated income/taxes,
    • There has been a change in dependency status between two years, or
    • There has been a change in either student’s or parents’ marital status between two years

• CPS will identify conflicting information between the two years that once resolved would have significant impact on the applicant’s EFC
  • CPS will not flag if
    • Student is not expected to be Pell-eligible,
    • Change in dependency status between two years,
    • Change in student’s or parents’ marital status between two years, or
    • PJ was performed in either year

• Institutionally required resolution
  • Student’s 2017-18 ISIR and SAR will be flagged with ‘C’ code and comment code 399
  • If comment code 399 not included on 2017-18 ISIR, school is not required to determine if there are any differences in income or tax information between two ISIRs
    • However, any other conflicting information (e.g., citizenship status or HS completion status) must be resolved

For Training and Discussion Purposes Only
Early FAFSA Conflicting Information

Resolving potential conflicting information
- School must compare all of the 2015 income and tax-related items from both years’ ISIRs to determine which are in conflict
- If, for either year, school had verified the information that conflicts, or student/parent used IRS DRT and did not change any of the transferred data, school can assume the verified values are correct and submit changes to other ISIR's data
- Exception: If school is aware that subsequent to verification an amended tax return was filed, school must ensure both years' ISIRs are based on the amended tax data

Code 399: Applicability of ISIRs

- No need to resolve if –
  - The school never received a 2016-17 ISIR, because the school has no conflicting information
  - The school received a 2016-17 ISIR but did not (and will not) disburse Title IV aid based on either of the ISIRs

Code 399: Applicability of ISIRs

- Must resolve if –
  - The school received a 2016-17 ISIR and disbursed, or may disburse, 2016-17 aid
  - Even if the institution did not and will not disburse 2017-18 aid
  - The school received a 2016-17 ISIR but did not review or process that ISIR and the school did or may disburse 2017-18 aid
Code 399: Disbursements and Overpayments

No resolution
- Must hold all 2017-18 Title IV aid
- Must consider the student to be in an overaward status for any need-based 2016-17 aid that was disbursed, and student must cease any FWS work

Correction to 2017-18
- School must use the EFC from the corrected ISIR for awarding and disbursing all Title IV aid for 2017-18

Code 399: Disbursements and Overpayments

Correction to 2016-17
- Lower EFC: Must disburse any additional 2016-17 aid the student is eligible to receive, consistent with the late disbursement rules at 34 C.F.R. § 668.164(j)
- Higher EFC: Must recalculate 2016-17 eligibility based on the corrected EFC
- Could result in overaward

Resolving Overawards
- Adjust any future 2016-17 disbursements, if possible;
- If that is not possible, potential for a Title IV overpayment in one or more programs

For Training and Discussion Purposes Only
Code 399: Disbursements and Overpayments

Resolving overawards and overpayments

- Title IV Grants and Perkins Loans
  - Adjust subsequent disbursements if possible
  - If not resolved by adjusting subsequent disbursements, student must repay portion disbursed for which he or she is no longer eligible
  - School is not liable
  - Follow normal overpayment rules and procedures
- Direct Subsidized Loans
  - Does not need to be immediately repaid but instead will be repaid under terms of promissory note
  - No action school must take except to record its determination
