Adds, Drops and Withdrawals

Pell Recalculation Date (PRD)

- Schools are **permitted** to set a Pell Recalculation Date (PRD) as a means to establish a timeframe for students to add or drop courses to determine a student's enrollment status for Pell Awarding purposes
- Schools will often refer to the Pell Recalculation Date as a "census date", "freeze date", or "add/drop date". Since these terms can have alternative meanings outside of Title IV administration, they will not be used in this presentation

Federal Student Aid | PROUD SPONSOR OF THE AMERICAN MIND
AN OFFICE OF THE U.S. DEPARTMENT OF EDUCATION

Pell Recalculation Options

- No Pell recalculation policy
- Policy for Pell recalculation throughout term for every add or drop course occurrence
- Policy for Pell recalculation based on enrollment status from a single fixed date
- Policy for Pell recalculation to account for modules within a term

Federal Student Aid | PROUD SPONSOR OF THE AMERICAN MIND
AN OFFICE OF THE U.S. DEPARTMENT OF EDUCATION

Required Pell Recalculation

- Regardless of the optional Pell recalculation policy a school may adopt, a student must START all credits for which Pell is paid
- If a student does not start all credits for which they are paid, the school must perform a required Pell recalculation and pay Pell based upon the actual credits the student began attendance in

If No Pell Recalculation Policy

- If a school doesn't establish a policy for recalculation within a term, a student who begins attendance in all classes would be paid based on the initial calculation, even if his or her enrollment status changes before the disbursement is made
- *Initial Calculation Definition:* An initial calculation is the first calculation that is made on or after the date the school has received an ED-produced EFC and uses the enrollment status at the time of the initial calculation

AN OFFICE OF THE U.S. DEPARTMENT OF EDUCATION

If No Pell Recalculation Policy

Central Commercial College does not have a Pell Recalculation policy.

It receives Ariel's Pell Eligible ISIR on August 5, 2016 and provides an initial calculation that she is scheduled to begin attendance as a full-time student at the start of the term on August 15, 2016.

Ariel *begins attendance as a full-time student* but drops 3 credit hours on August 20, 2016. Ariel will still receive full-time Pell since the school is required to use the initial calculation.

If No Pell Recalculation Policy

Central Commercial College does not have a Pell Recalculation policy.

It receives Jason's Pell Eligible ISIR on August 5, 2016 and provides an initial calculation that he is scheduled to begin attendance as a half-time student on August 15, 2016.

Just before term start, Jason adds two more classes and is enrolled full-time on August 15, 2016 when classes begin. The school is required to use the initial calculation of half-time enrollment status for Pell awarding.

If No Pell Recalculation Policy

Central Commercial College does not have a Pell Recalculation policy.

It receives Kevin's Pell Eligible ISIR on August 5, 2016 and provides an initial calculation that he is scheduled to begin attendance as a full-time student at the start of the term on August 15, 2016.

Kevin does not begin attendance in two of the classes and is considered half-time at the term start. The school must recalculate for half-time status since Kevin is ineligible for the initial full-time Pell originally calculated.

School Has Pell Recalculation Policy

Example: Central Commercial College has a Fall term start of August 15, 2016 with a PRD of August 30, 2016.

Sarah begins attendance on 8/15 with 6 credit-hours, but adds an additional course for 3 credit-hours on 8/22. Sarah's enrollment status for Pell purposes = 9 credit-hours.

Ben begins attendance on 8/15 with 12 credit hours, but drops 2 courses for a total of 6 credit hours on 8/25. Ben's enrollment status for Pell purposes = 6 credit hours.

School Has Pell Recalculation Policy

Example: Central Commercial College has a Fall term start of August 15, 2016 with a PRD of August 30, 2016.

Gracie begins attendance on 8/15 with 6 credit hours, but adds an additional course for 3 credit hours on 9/1. Gracie's enrollment status for Title IV purposes = 6 credit hours.

Joshua begins attendance on 8/15 with 12 credit hours, but drops 2 courses for a total of 6 credit hours on 9/1. Joshua's enrollment status for Title IV purposes = 12 credit hours.

Adds, Drops and Withdrawals

Withdraws Prior to PRD

When determining Pell eligibility a school must use enrollment status established on earliest date of a withdrawal or PRD

- If student withdraws prior to arrival of PRD, school must use the enrollment status the student established as of the withdrawal when calculating Pell eligibility
- If student adds a course after PRD and subsequently withdraws, school must use the enrollment status established by the student at the time of the PRD when calculating Pell eligibility

13

Withdraws Prior to PRD

Example: Central Commercial College has a Fall term start of August 15, 2016 with a PRD of August 30, 2016.

Alyssa begins attendance on 8/15 with 6 credit hours, but withdraws on 8/22. Alyssa's enrollment status for Pell = 6 credit hours.

Scott begins attendance on 8/15 with 6 credit hours, but adds 2 courses for an additional 6 credit hours on 9/1. Subsequently, he drops all courses on 10/15. Scott's enrollment status for Pell = 6 credit hours.

Post PRD Enrollment Starts

If a program is offered in modules and the student enrolls after the established PRD, the school must use the enrollment status from the later of the PRD or when the student enrolls.

- In this case the initial Pell calculation could not have taken place until the student enrolled which was after the PRD

Adds, Drops and Withdrawals

Post PRD Enrollment Starts

Example: Central Commercial College has a Fall term start of August 15, 2016 with a PRD of August 30, 2016. In addition to full-length courses, they also have modules within the term.

Paul does not begin attendance at the start of the term, but on 9/15 decides he wants to enroll in two modules (6 credit hours) to start on 10/1. Provided Paul begins attendance in both modules, his enrollment status for Pell = 6 credit hours.

Post PRD Enrollment Starts

Example: Central Commercial College has a Fall term start of August 15, 2016 with a PRD of August 30, 2016. In addition to full-length courses, they also have modules within the term.

Nancy begins attendance on 8/15 with 6 credit hours, but decides to enroll in a module course (3 credits) on 10/1 – the start date of the module. Nancy's enrollment status for Title IV purposes = 6 credit hours.

Initial ISIR Received after PRD

If a student files a FAFSA form later in the payment period and the school subsequently receives an official ISIR after the PRD, school must use the enrollment status from the *later* of the PRD or when the school is able to perform an initial Pell calculation.

- In this case the initial Pell calculation could not have taken place until the school received the initial ISIR with an official EFC

For Discussion Purposes Only

Adds, Drops and Withdrawals

Initial ISIR Received After PRD

Example: Central Commercial College has a Fall term start of August 15, 2016 with a PRD of August 30, 2016.

David begins attendance as a full-time student in 12 credit hours but did not fill out a FAFSA form and is not currently eligible for Title IV aid. On September 2, 2016 David goes to FAFSA on the Web and on September 5, 2016, the school receives an official ISIR for David.

At the time the school does an initial Pell calculation David is enrolled in 12 credit hours, his enrollment status for Pell = 12 credit hours.

Initial ISIR Received After PRD

Example: Central Commercial College has a Fall term start of August 15, 2016 with a PRD of August 30, 2016.

Bruce begins attendance as a full-time student in 12 credit hours but did not fill out a FAFSA form and is not currently eligible for Title IV aid. On September 10, 2016 Bruce drops one 3-credit course.

On September 15, 2016 Bruce goes to FAFSA on the Web and on September 17, 2016, the school receives an official ISIR for Bruce.

At the time the school does an initial Pell calculation Bruce is enrolled in 9 credit hours, his enrollment status for Pell = 9 credit hours.

For Discussion Purposes Only

Adds, Drops and Withdrawals

PRDs and Modules

- It is acceptable for a school to assign a PRD to each module within a term
 - The PRD is activated only in the event the student begins attendance in the assigned module
 - If the student does not begin attendance in an assigned module, the school should use the latest active PRD to determine the enrollment status
- When a PRD is activated all courses within the payment period are considered when determining enrollment status

22

AN OFFICE OF THE U.S. DEPARTMENT OF EDUCATION

PRDs and Modules

Central Commercial College has a term start date of 8/15/16 and term end date of 12/15/15. The school has three different PRDs of 8/22/16, for Mod 1 courses, 9/1/16 for full-term courses and 10/23/16 for Mod 2 courses.

23

Federal Student Aid | PROUD SPONSOR OF THE AMERICAN MIND
AN OFFICE OF THE U.S. DEPARTMENT OF EDUCATION

PRDs and Modules

Jesse is scheduled to attend 6 credits in the full-term courses, 3 credits in Mod 1 and 3 credits in Mod 2. He drops a full-term course (3 credits) on 9/5 and the Mod 2 course (3 credits) on 10/20. Since he began attendance in the Mod 2 course, 10/23 PRD is used. Enrollment status for Pell = 6 credit hours.

PRDs and Modules

Michelle is scheduled to attend 6 credits in full-term courses, 3 credits in Mod 1 and 3 credits in Mod 2. She drops a full-term course (3 credits) on 9/5 and never begins attendance in Mod 2. Since she did not attend class in Mod 2, the 9/1 PRD is used. Enrollment status for Pell = 9 credit hours.

Adds and Drops: Direct Loans

Federal Student Aid | PROUD SPONSOR of the AMERICAN MIND

Add/Drops and Direct Loans

- PRDs (census dates) have no relevance when determining enrollment status for Direct Loans
- For Direct Loans, the school must determine eligibility at the time of disbursement
- An otherwise eligible student must be *enrolled* at least half-time at the time of the disbursement
 - To ultimately be eligible for a DL, the student must have been enrolled half-time at the time of disbursement and started at least one class
- It is important for the school to have a process to verify enrollment status prior to disbursement

Federal Student Aid | PROUD SPONSOR of the AMERICAN MIND

For Discussion Purposes Only

Adds, Drops and Withdrawals

Early Disbursements

An institution that disburses Direct Loan funds up to 10 days prior to enrollment start date must ensure student is scheduled to attend at least half time prior to disbursement.

- If student begins attendance as less than half time (starts a class), the disbursement is eligible
 - Subsequent disbursements within term cannot be made unless student reestablishes half-time status
 - Repaid in accordance with terms/conditions of Prom note UNLESS required to return loan funds under R2T4, if student withdraws

Federal Student Aid | PROUD SPONSOR OF THE AMERICAN MIND
AN OFFICE OF THE U.S. DEPARTMENT OF EDUCATION

Early Disbursements

- If student does not begin attendance, the school must return any Direct Loan funds credited to the student's account
- For any remaining loan funds disbursed directly to a student, the school must notify the appropriate loan servicer of the loan funds that are outstanding, so that ED can issue a 30-day demand letter to the student

Adds, Drops and Withdrawals

When a Student is Considered Withdrawn

- In the case of a program that is measured in credit hours, the student does not complete all the days in the payment period or period of enrollment that the student was scheduled to complete
- In the case of a program that is measured in clock hours, the student does not complete all of both the clock hours and weeks of instructional time in the payment period or period of enrollment that the student was scheduled to complete

31

Federal Student Aid | PROUD SPONSOR OF THE AMERICAN MIND
AN OFFICE OF THE U.S. DEPARTMENT OF EDUCATION

When a Student is Considered Withdrawn

In the case of a nonterm or nonstandard-term program, the student is not scheduled to begin another course within a payment period or period of enrollment for more than 45 calendar days after the end of the module the student ceased attending, unless the student is on an approved leave of absence.

32

Federal Student Aid | PROUD SPONSOR OF THE AMERICAN MIND
AN OFFICE OF THE U.S. DEPARTMENT OF EDUCATION

When a Student is Considered Withdrawn

If a student ceases attendance (drops or withdraws) from all his or her Title IV-eligible courses in a payment period or period of enrollment, the student must be considered a withdrawal for FSA purposes. Even if the student is still enrolled in non- Title IV courses.

Withdrawal Date

The goal of the Return provisions is to identify the date that most accurately reflects the point when a student ceases academic attendance, not the date that will maximize federal student aid to the institution or to the student.
